# THE SICKNESS

*A Tribute to Disturbed*

---

**The Sickness is Europe's Disturbed Tribute Band – delivering an authentic, high-energy live show that captures the power, intensity, and spirit of the original.**

The band faithfully recreates the unmistakable sound of Disturbed with powerful vocals, crushing guitar riffs, and the explosive stage presence that has made the American metal giants famous around the world. Their setlist features fan favorites such as *“Down With The Sickness,” “Stricken,” “Indestructible,”* and *“The Sound of Silence.”*

Combining musical precision with a genuine passion for every detail, The Sickness delivers a powerful live experience that stays true to the original while bringing its own energy to the stage. Whether performing in clubs, at festivals, or on open-air stages, the band offers an unforgettable show for every Disturbed fan.
